

Attend this exciting **free** webinar to hear industry experts discuss a promising developing international marketplace:

# Emerging Opportunities: Angola's Growing Frontier Marketplace

As growth slows in the BRIC markets, investors are eyeing the markets that will drive global growth over the next decade, with attention increasingly focused around the high growth economies of sub-Saharan Africa. The latest data shows regional written premiums growing by an average of 7.2% to USD 72.43bn. Axco and 3iG are pleased to offer this free webinar examining the opportunities and challenges in Angola, one of the region's fastest growing markets. You can look forward to rich discussions including:

- ♦ Major geographic, ethnic, and political challenges
- ♦ Development and structure of the (re)insurance market
- ♦ Economic evolution to a free market
- ♦ Challenges of the business environment
- ♦ Outlook for future market growth

## Biographies of Presenters:

Tim Yeates is the Executive Director of Axco Insurance Information Services in charge of business development. Based primarily in Europe, he has had a wide range of responsibilities during his career in international insurance and risk management. He has worked for several leading broking and risk consulting organisations in areas as diverse as multinational programmes, Life and Non-Life captives, national catastrophe programmes, alternative risk financing, training and information management. Tim has travelled extensively and always enjoys seeing the extraordinary achievements of multidisciplinary teams. He is a strong advocate for improving links between our industry and learning institutions.

Alexander Frost is a research analyst at Axco Insurance Information Services, responsible for political and economic reports on over 160 countries. Since November 2011 he has been coordinating Axco's academic partnership project with the University of Bath's School of Management. Alex holds a Master's degree in Eastern European, Russian and Eurasian Studies from Carleton University in Canada, a language certificate from St Petersburg State University in the Russian Federation and is the author of several publications regarding political transition in the former Soviet Union.

Mickey Brown, CPCU, ARM, is a senior vice president at Marsh USA Inc. in Atlanta. He has more than 20 years' experience in international finance, mergers and acquisitions, risk management and commercial insurance brokerage. Brown is a graduate of Loyola College in Baltimore and the current Chair of the CPCU Society International Insurance Interest Group (3iG). Mickey was the recipient of the 2012 Risk & Insurance - Global Power Broker Award.

Axco is the leading supplier of international insurance information, covering over 180 markets and specializing in P&C and life & benefits market information, statistics, regulation and tax compliance. <http://www.axcoinfo.com/>

Also known as 3iG, the CPCU Society International Insurance Interest Group, is dedicated to increasing awareness of the international perspective of insurance and risk. <http://www.cpcusociety.org/interest-groups/international-insurance>

The CPCU Society is a community of credentialed property and casualty insurance professionals who promote excellence through ethical behavior and continuing education. <http://www.cpcusociety.org/>
